- (A) Union membership dues, assessments, Pac, or fees;
- (B) Union sponsored credit and other benefit programs.

Requests for any of the above shall be made on a form provided by the Union and shall be made within the provisions of the State salary and annuity withholding Act and/or any other applicable State statute.

Upon receipt of an appropriate written authorization from an employee, such authorized deductions shall be made in accordance with the law and shall be remitted to the Union on a twice monthly basis at the address designated in writing by the Union. It is the sole discretion of the Village President to determine that civil emergency conditions exist which may include, but not be limited to, riots, civil disorders, tornado conditions, floods or other catastrophes. In the event of such emergency action, the provisions of this Agreement, other than compensation provisions, may be suspended, if necessary, provided that all provisions of the Agreement shall be immediately reinstated once the local disaster or emergency condition ceases to exist.

ARTICLE IV
HOURS OF WORK AND OVERTIME

Section 4.1 Workday and Workweek

Employees shall be assigned to work shifts, as established by the Village, which provide 40 hours of work time (inclusive of 2 paid 15 minute breaks and one paid 30 minute lunch) each work day. Employees shall be granted a one half hour paid lunch during the midpoint of each day. Additionally, where the requirements of the job dictate that employees work through their lunch period, employees shall be allowed to take their lunch break as soon as work demands permit. The parties will continue the current practice of on-site work breaks as work permits not to exceed fifteen (15) minutes in the morning and fifteen (15) minutes in the afternoon, with the permission of the on-site supervisor. Work shifts are: 7:00 a.m. to 3:00 p.m. or 8:00 a.m. to 4:00 p.m. Monday through Friday except on water shut off days the Village may schedule employees to different work shift hours with later starting and ending times than the typical work shift. In the event the Village determines it desirable to add a 9:00 a.m. to 5:00 p.m. shift it will first seek volunteers to work the shift with the requisite skills, abilities, licenses and certification. The most senior qualified volunteer will be assigned to the shift, and if insufficient volunteers are obtained, then the on-call list will be utilized, but if the Village determines the shift to be permanent, then assignments will be made among qualified employees by inverse seniority.

Employees working more than twelve (12) consecutive hours will be provided rest and meal breaks as appropriate with the permission of the Director or his designee.

By written agreement between the Director and the Steward, the shift hours may be changed on a temporary basis for certain projects.

Section 4.2 Mandatory Rest Period

Unless an Employee agrees otherwise, Employees will not be required to work more than sixteen (16) hours consecutively in a twenty-four (24) hour period without being allowed an eight (8) hour rest period. Should an employee reasonably believe that he can work more than 16 hours in a twenty four hour period, he may be permitted to do so.

Section 4.3 Overtime Compensation

The compensation paid employees for overtime work shall be as follows:

- (a) Except as provided for in this agreement, a bargaining unit employee shall be paid at one and one-half his/her regular hourly rate of pay when required to work outside of his/her normal work day or work week, as defined in Section 1 of this Article.
- (b) A bargaining unit employee shall be paid at twice his/her regular hourly rate of pay for all hours worked on designated holidays.
- (c) Time paid for but not worked shall be counted as "time worked" for purposes of computing overtime compensation.
- (d) Regularly scheduled overtime for Saturday and Sunday work shall be a minimum of 2.5 hours in all water operations, and 2 hours for the rest of the departments.

Section 4.4 Overtime Distribution

The parties recognize that they have an obligation to the community to provide services and that this obligation on occasion may require the working of overtime. To meet that objective, the Director or his designee(s) shall have the right to require overtime work and Employees may not refuse overtime assignments. The Village agrees to distribute overtime as equally as possible in each department first among those employees who usually perform the type of work at issue, then within the bargaining unit. The employee working on any job which extends into overtime shall have first claim on the overtime.

Scheduled overtime shall be offered to members in a fair and equitable method as needs dictate in accordance with overtime selection procedures agreed to by the parties. Generally, the process will be to seek volunteers, then the on call person(s), then mandatory assignment of qualified employees by inverse order of seniority. The Village reserves the right to select employees for overtime assignments based on numerous factors, including individual skills, certification, licenses, and distance from the job site.

Section 4.5 Callback

An employee who is called back to work on an assignment which does not continuously follow the employee's regularly scheduled working hours shall be compensated a minimum of two (2) hours at the appropriate overtime rate for each call back or the actual time worked, whichever amount is greater. It is expressly agreed that a callback assignment is for a specific purpose and assignment.

Section 4.6 On-Call Assignments

The Employer will continue the practice of maintaining a rotating on call list. Employees placed on the list will receive \$50 per week beginning in Year 2, \$50 per week in Year 3, and \$75 per week in Year 4.

Section 4.7 Compensatory Time

In lieu of overtime pay, an employee may earn compensatory time at the appropriate overtime rate for each overtime hour worked in accordance with the Village's Personnel Policy Manual. Employees may not accumulate more than forty (40) hours of compensatory time at any given time. Compensatory time requests must be submitted in writing to the Director at least 48 hours prior to the date sought to be used, unless the Director, or designee, in his discretion authorizes the leave with less than 48 hours' notice. The Village shall not unreasonably deny use of compensatory time, and they shall generally be granted provided there are sufficient personnel to cover the Village's work requirements at no additional cost or expense to the Village. Compensatory time generally may be taken in no less than two hour increments, but the Director or designee may approve use in less than two hour increments. Employees may cash out all or some accrued compensatory time once per year.

Section 4.8 Meetings

Any employee required to be at a departmental meeting during off hours shall be compensated for actual time attending said meeting with a minimum of one hour of compensation. The minimum guarantee of one hour's pay shall not apply if the meetings, assignments or other programs are within

one hour at the start or end of the employee's regular shift. In such instances the employee shall receive overtime pay for the time of the meeting.

Section 4.9 No Pyramiding

Compensation shall not be paid more than once for the same hours under any provision of this Article, this Agreement, State or Federal law.

ARTICLE V

SENIORITY

Section 5.1 Seniority Defined

Except for purposes of layoff, an employee's seniority shall be the period of the employee's most recent continuous regular employment with the Employer, in the bargaining unit. Time spent in the armed forces on military leave of absence, authorized unpaid leaves not to exceed thirty (30) days, and time lost due to duty related disability shall be included.

Section 5.2 Breaks In Continuous Service

An Employee's continuous service record shall be broken by voluntary resignation, discharge for just cause, retirement, layoff without recall within 24 months, failure to return from a leave of absence, and being absent for three (3) consecutive days without reporting off.

Section 5.3 Seniority List

Once each year the Employer shall post a Bargaining Unit seniority list showing the seniority of each employee. A copy of the seniority list shall be furnished to the Union when it is posted. The seniority list shall be accepted and final thirty (30) days after it is posted, unless protested by the Union or an employee.

Section 5.4 Probationary Employees

An employee is probationary for the first six (6) months of employment. A probationary employee shall have no seniority, except as otherwise provided for in this Agreement, until he/she has completed their required probationary period. Upon such completion, he/she shall acquire seniority retroactively from the date of employment. During this period of probation, no grievance may be filed by or on behalf of such employee regarding discharge or discipline.

ARTICLE VI

LAYOFF AND RECALL

Section 6.1 Definition And Notice

A layoff is defined as a reduction in bargaining unit jobs. The Employer shall give the Union at least 30 days notice of any layoffs except in emergency situations wherein such period of notice may be reduced.

Section 6.2 General Layoff Procedures

In the event of a layoff, employees generally shall be laid off in inverse order of seniority as defined in Article V. However, prior to laying off any bargaining unit employees, all seasonal, temporary, probationary, part-time or other non-bargaining unit employees who perform work customarily performed by bargaining unit employees within the effected Departments shall be laid off or terminated, as the case may be, the director and assistant director are specifically excluded from this requirement. The Village may lay off employees out of this inverse order of seniority in a position or classification if retention of a less senior employee with the required skill ability, licenses or certifications is necessary to perform the remaining work.

Section 6.3 Recall Of Laid-Off Employees

Employees who are laid off shall be placed on a recall list for a period of two (2) years. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are fully qualified to perform the work to which they are recalled without further training. After two (2) years on layoff, an employee shall lose his seniority.

Employees who are eligible for recall shall be given fifteen (15) calendar days' notice of recall. Notice of recall shall be sent to the employee by certified mail, return receipt requested, with a copy to the Union. The employee must notify the Director of Public Works (hereinafter referred to as the "Director") or his designee of his intention to return to work within seven (7) days after receiving notice of recall. The Village shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the mailing address last provided by the employee, it being the obligation and responsibility of the employee to provide the Director or his designee with his latest mailing address. If an employee fails to timely respond to a recall notice, his name shall be removed from the recall list.

ARTICLE VII

DISCIPLINARY PROCEDURES

Section 7.1 Employee Discipline

The Employer agrees with the tenets of progressive and corrective discipline and that it shall be imposed only for just cause, when such is the case discipline shall be appropriate to the circumstances and the employee's work history. Discipline shall include but not be exclusive of the following progressive steps of priority:

- (a) Oral warning with documentation of such filed in the employee's personnel file.
- (b) Written reprimand with copy of such maintained in the employee's personnel file.
- (c) Suspension without pay with documentation of such maintained in the employee's personnel file, with copy sent to Union office.
- (d) Discharge with documentation of such maintained in the employee's personnel file, with copy sent to Union office.

Pursuant to actual imposition of written reprimands, suspension without pay, or discharges, the employee shall be afforded an opportunity to discuss his/her views concerning the conduct causing such disciplinary action. Such discussion should take place soon after the Supervisor's decision that discipline is appropriate. Furthermore, upon request of the employee, a representative of the Union (Steward) shall be allowed to be present and participate in such discussions.

Section 7.2 Right To Representation

Employees shall have the right to have a Union Representative present during any investigatory meeting with a supervisor provided that the employee requests a Union Representative, and further provided that the Employee reasonably believes that disciplinary action is being contemplated. Such meeting shall be reasonably delayed if a Union Representative is not immediately available. The Union Representative must be a person outside the scope of the investigation.

ARTICLE VIII

GRIEVANCE PROCEDURE

Section 8.1 Grievance Defined

A grievance is defined as any claim of violation of this Agreement.

Section 8.2 Processing Of Grievance

Grievances may be processed by an employee, the Union on behalf of an employee or on behalf of a group of employees, or itself setting forth name(s) or group(s) of the employee(s). The Grievant or one Grievant representing a group of Grievants may be present at any step of the grievance procedure, and the employee is entitled to Union representation at each and every step of the grievance procedure. The resolution of a grievance filed on behalf of a group of employees shall be made applicable to the appropriate employees within that group.

Nothing in this Agreement prevents an employee from presenting a grievance to the employer, and having the grievance heard and settled without the intervention of the union, provided that a union representative is afforded the opportunity to be present at any grievance conference and that any such settlement made shall be consistent with the terms of this Agreement. A copy of any settlement shall be provided to the Union. Only the Union may invoke arbitration proceedings.

Section 8.3 Grievance Steps

Step One: Director of Public Works

The Union may submit a written grievance to the Director of Public Works or his designee, within ten (10) business days of the event giving rise to the grievance or the Union's reasonable knowledge of the events giving rise to the grievance. The Director of Public Works or his/her designee shall schedule a conference within five (5) business days of receipt of the grievance to attempt to adjust the matter. The Director of Public Works or designee shall submit a written response within five (5) business days of the conference. If the conference is not scheduled, the Director of Public Works or designee shall respond to the grievance in writing within five (5) business days of receipt of the appeal.

Step Two: Village Administrator

If the grievance remains unsettled at step one, the Union may advance the written grievance to the Village Administrator within 5 business days of the response in step one or when such response was due. The Village Administrator or his/her designee shall schedule a conference within five (5) business days of receipt of the grievance to attempt to adjust the matter. The Village Administrator or designee shall submit a written response within five (5) business calendar days of the conference. If the conference is not scheduled, the Village Administrator or designee shall respond to the grievance in writing within five (5) business days of receipt of the appeal.

Step Three: Village Board

If the grievance is not settled in Step two, or if a timely answer is not given, within seven (7) calendar days following the Step two answer or expiration of the time limit set forth in Step two, the grievance may be advanced to the Village President or his designee by a written appeal signed by the union. The employee and a representative of the Union (if requested by employee) will meet with the Village Board or its designee to discuss the grievance at a mutually agreeable time. If no agreement is reached in such discussion, the Village Board or its designee will give its answer in writing within seven (7) calendar days of the discussion.

Step Four: Arbitration

If the grievance remains unsettled after the response in step two three, the Union may refer the grievance to arbitration within fifteen (15) business calendar days of the Step Two three response. The Union shall request the American Arbitration Association to submit a panel of seven (7) Arbitrators. The parties shall alternately strike the names of Arbitrators. The parties shall flip a coin to determine who strikes the first arbitrator, and the winner of coin toss shall have the decision to strike first, or have the other side make the first strike. taking turns as to the first strike. The person whose name remains shall be the Arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of Arbitrators.

Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the Arbitrator. Both parties shall have the right to request the Arbitrator to require the presence of witnesses and/or documents. Each party shall bear the costs of its own witnesses.

Questions of arbitrability shall be decided by the Arbitrator. The Arbitrator shall make a preliminary determination on the question of arbitrability. If it is determined that the matter is arbitrable, the Arbitrator shall then proceed to determine the merits of the dispute. If either party objects, another panel will be requested and another arbitrator selected.

In the conduct of any arbitration under this Article, the rules and procedure governing the conduct of arbitration proceedings of the American Arbitration Association shall control, except where specifically limited by this Article. The Arbitrator shall neither amend, modify, nullify, ignore, add or subtract from the provisions of this Agreement.

The arbitrator shall have no power, in his decision or award, to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall consider and decide only the specific issue submitted to him as raised and presented in writing and shall have no

authority to make his decision on any issue not so submitted. His decision shall be based solely upon an interpretation of the meaning or application of this Agreement to the facts of the grievance presented. More than one grievance may be submitted to the same arbitrator if both parties mutually agree in writing.

The expenses and fees of the Arbitrator and the cost of the hearing room shall be shared equally by the parties. Nothing in this Article shall preclude the parties from agreeing to the appointment of a permanent Arbitrator(s) during the term of this Agreement or to use the expedited arbitration procedures of the American Arbitration Association.

If either party desires a verbatim record of the proceedings, it may cause such to be made, providing it pays for the record and makes a copy available without charge to the Arbitrator. If the other party desires a copy, it shall equally pay for the expense of such.

The Arbitrator shall render his/her decision in writing to the parties within thirty (30) calendar days following the close of the arbitration hearing or the submission date of briefs, whichever is later. The Arbitrator shall support his/her findings with a written opinion. The decision and opinion shall be based solely on and directed to the issue presented. The award shall clearly direct the parties as to what action(s) must be taken in order to comply with the award. However, the Arbitrator shall have no authority to make any decision or award which is in any way contrary to or inconsistent with the applicable laws or rules and regulations of administrative bodies that have the force and effect of laws. Any decision rendered in conflict with the limitations of this Article shall be advisory upon the Union, employee(s) and Employer.

Any decision and award of the Arbitrator rendered consistent with this Agreement, shall be final and binding to the Union, employee(s) and Employer. Such decision shall be within the scope and terms of this Agreement but shall not change any of its terms or conditions.

Section 8.4 Grievance Forms

The written grievance required under this Article shall be on a form which shall be provided by the Union. It shall contain a statement of the Grievant's complaint, the section(s) of this Agreement that have been allegedly violated, the date of the alleged violations and the relief being sought. The form shall be signed and dated by the Grievant and/or his/her representative. An improper grievance form, date, section citation or other procedural error shall not be grounds for denial of the grievance.

Section 8.5 Settlements And Time Limits

Any grievance not appealed to the next succeeding step in writing and within the appropriate number of work days of the Employer's last answer will be considered settled on the basis of the Employer's last answer and shall not be eligible for further appeal, except that the parties may, in any individual case (except discharge cases), extend this limit by mutual written notice. Any grievance not answered within the time limits specified at a step shall be deemed denied and automatically appealable to the next step.

Section 8.6: Attendance At Arbitration

An employee's attendance at a grievance arbitration as a witness for or representative of the Union, shall not be treated as compensable work time unless specifically agreed to otherwise by the Village Administrator, or designee. However, the Village agrees that it will permit one employee that the Union identifies as essential to the grievance to be released from work with pay for arbitration hearings.

Section 8.7: Union Stewards

Two (2) duly authorized bargaining unit representatives shall be designated by the Union as the Stewards. Two (2) duly authorized bargaining unit representatives shall be designated by the Union Alternate Stewards. The Union will provide written notice to the Employer to identify the Stewards.

No vacation leave shall accrue during the first full year of employment. Employees successfully completing one full year of active employment shall be granted 80 hours of vacation to be taken during their second year of employment. Employees shall accrue vacation leave for use in subsequent years of employment based upon the following schedule:

After one year	80 hours
After three years	96 hours
After four years	104 hours
After five years	120 hours
After ten years	144 hours
After fifteen years	160 hours

Each employee may carry over up to 40 hours of vacation time from year to year, only upon receipt of written approval from the Public Works Director before December 15th of any year. The Public Works Director reserves the right to deny or reduce vacation carry over requests.

Section 10.2 Vacation Scheduling

Vacation shall be scheduled in accordance with seniority. Vacations must be taken during the 12-month period following accrual provided that 5 days of vacation may always be carried over into the succeeding year. Sign-up for annual vacations will begin on November 1 and end on December 31 of each year. A sign-up sheet will be posted providing each employee a date on which to select vacation. Dates will be assigned according to seniority, with the most senior employee on being assigned the first date. Employees may not sign up prior to their assigned date unless all employees ahead of them have either signed up or waived their selection. Employees who miss their sign-up date may sign up at their earliest opportunity, however, no bumping will be allowed.

Vacations selected during the initial bid period shall have priority usage over all other leave time and scheduled activities, including, but not limited to, training, meetings, etc. Vacations taken in week long intervals will be allowed to include the regular days off before and after such vacation.

Employees not selecting their vacation during the sign-up period may still request vacation at any time (on a form provided by the Department), however no bumping will be allowed. Vacations shall be scheduled on a first come basis. Requests to schedule a week of vacation shall be made at least 7 calendar days in advance. Requests to schedule less than a week shall be made in writing at least 2 work days in advance. The Director or his designee will consider a vacation request with less notice in a specific instance. When the leave is verbally approved at a point when the employee is not scheduled to be at work prior to taking the leave, the employee shall not be required to physically drop off the written request on his day off. Vacation may not be taken without the approval of the Director, or designee. Employees shall utilize vacation in increments of a minimum of one half (½) shift.

It is expressly understood that the final right to designate a vacation period and the maximum number of employees who may be on vacation at any one time is exclusively reserved to the Director or his designee in order to insure the orderly performance of the services provided to the Village. Currently the maximum number of employees allowed off at any one time for any and all advanced scheduled leave purposes is five. In the event operational needs change, the parties agree to meet and discuss the maximum number of employees who can be off at the same time. It is agreed that extended injury or illness leaves may count toward the five allowable employees off maximum, however previously approved time off requests will be honored absent an emergency.

Section 10.3 Accumulated Vacation At Separation

Upon separation, an employee shall be paid for all unused, accrued and pro-rated vacation time based on the employee's current rate of pay. In the event of the employee's death, compensation for all unused vacation allowances shall be paid to his/her estate.

However, if an employee elects not to come back to work after a leave under this section, the employee shall reimburse the Employer for all health insurance premiums it has paid on the employee's behalf while the employee was on leave.

The illegal use, sale, possession of prescribed drugs or production of same at any time while employed by the Village, abuse of prescribed drugs, as well as being under the influence of alcohol or the consumption of alcohol while on duty, shall be cause for discipline including termination. An employee is considered to be under the influence of alcohol for purposes of this policy if the alcohol concentration in his or her blood or breath at the time alleged as shown by analysis of the employee's blood or breath is at or above 0.02%.

An employee whose supervisor has reasonable suspicion to believe the employee is under the influence of alcohol or a drug is subject to discipline up to and including suspension, and shall be required to undergo an alcohol or drug test. "Reasonable suspicion" means a belief, based on behavioral observations or other evidence, sufficient to lead a prudent or reasonable person to suspect an employee is under the influence. Evidence may include, but is not limited to, observations that the employee exhibits slurred speech, erratic behavior, decreased motor skills, or other such traits. Circumstances, both physical and psychological, shall be given consideration. Whenever possible before an employee is required to submit to testing based on reasonable suspicion, the employee shall be observed by more than one supervisory or managerial employee. It is encouraged that observation of an employee should be performed by a supervisory or managerial employee who has successfully completed a certified training program to recognized drug and alcohol abuse.

The Village shall provide transportation for the employee to the testing facility and may send a representative to accompany the employee to the testing facility. Under no circumstances may an employee thought to be under the influence of alcohol or a drug be allowed to operate a vehicle or other equipment for any purpose. The employee shall be removed from the job site and placed on inactive status pending the Village's receipt of notice of the test results. The employee shall have the right to request a representative or designee to be present at the time he or she is directed to provide a specimen for testing based upon reasonable suspicion. If the test result is positive for drugs or alcohol, the employee shall be subject to termination. If the test result is negative, the employee shall be placed on active status.

Employees shall be required to submit to post-accident drug or alcohol testing when they are involved an accident while in a Village vehicle if the accident involves loss of life, or if the employee is issued a citation for a moving violation arising from the accident.

Employees who have tested positive for drugs and/or alcohol shall not be permitted to return to work until they have tested negative for the presence of drugs and/or they are no longer under the influence of alcohol.

The Village shall use only licensed clinical laboratories for such testing and shall be responsible for maintaining the proper chain of custody. Issues relating to the testing process (e.g. whether there is reasonable suspicion for ordering an employee to submit to a test) may be grieved in accordance with the grievance and arbitration procedure set forth in this Agreement.

If an employee's job requires a commercial driver's license ("CDL") and if the Federal or State

government requires a drug test in conjunction with the application for a commercial driver's license, employees covered by this Agreement will submit to mandatory drug testing as prescribed and directed by the Federal or State government statutes. The Village will establish the required rules, regulations and procedures governing the misuse of alcohol and/or the use of controlled substances as set forth by the Omnibus Transportation Employee Testing Act of 1991 and detailed in 49 CFR Parts 382, Substances Testing Policy. The Village reserves the right to make necessary changes to these procedures to comply with any federal/state mandated regulations.
