

Interested Parties Registries

As the Village continues the exploration of a possible TIF District for the Main Street/Washington Street Redevelopment Project Area, the public may have questions or wish to follow the process through to the implementation of a district. An Interested Parties Registry provides an opportunity for residents to submit their contact information so that they can be informed about any updates regarding the TIF and its review process.

Any Village resident or organization active in the Village may apply to register as an interested party by completing and submitting a registration application and a copy of a current driver's license, lease, utility bill, financial statement or other evidence acceptable to the Village to demonstrate current Village residency. Registration applications will be available from the Village Clerk's Office.

Interested parties must fill out one of the following forms (one for individuals and/or one for organizations) and submit the completed form to the Village Clerk to be placed on the registry.

Registration shall be effective from the date of entry on the Registry until the expiration or termination of the redevelopment project area, unless the registrant requests in writing termination of the registration sooner.

The Registry will be available for public inspection during normal Village business hours or on the Village's website. The Registry will include the name and address of each registrant and for organizations will also include the name and address of the designated contact person.

The following notices shall be sent to registrants by electronic communications whenever possible, otherwise by US Mail or by hand delivery :

- A. Notice of the availability of a proposed redevelopment plan and eligibility report and how to obtain those documents, within a reasonable time after adoption of the ordinance fixing the public hearing on the proposed redevelopment plan. (See the Act, Section 11-74.4-5(a))
- B. Notice of specified changes to a proposed redevelopment plan. (See the Act, Section 11-74.4-5(a))
