Village of Oswego Plan
Review and Construction Inspection Engineering Services

Thank you for your interest in the Village of Oswego's solicitation for professional services for providing Plan Review and Construction Inspection Engineering Services. We have reviewed the proposals submitted for this project and, after careful consideration of all interested firms, have shortlisted the firms for further consideration:

Baxter & Woodman
Bollinger Lach & Associates
Robinson Engineering
Strand Associates, Inc.
Wills Burke Kelsey Associates, Ltd.

The Village will conduct interviews the week of December 8, 2014. The Village will contact the selected firms to schedule interviews.
