Village of Oswego

Request for Qualifications for Phase I Engineering Study for Wolfs Crossing

Thank you for your interest in the Village of Oswego's solicitation for professional services for providing Phase I Engineering Services. We received and review reviewed eleven proposals for this project. After careful consideration of all interested firms, have shortlisted the firms for further consideration:

Alfred Benesch & Company
Christopher B. Burke Engineering, Ltd.
HR Green

The Village will conduct interviews the week of June 20, 2016. The Village will contact the selected firms to schedule interviews.
