

Business Incentives

LOAN PROGRAM

Village of Oswego Revolving Loan Fund

The Village offers incentives for small businesses owners to stimulate economic growth and create jobs for low-moderate income individuals. The Oswego Revolving Loan Fund (RLF) program provides start-up or expansion costs through low interest loan program. Eligible loan activities include land acquisition; equipment and improvements; and working capital expenses.

For more information, please review the [Oswego RLF Application](#).

GRANT PROGRAM

Downtown Façade Improvement Program

The Village of Oswego offers business owners and owners of commercial buildings up to \$10,000 in matching grants per façade to rehabilitate and restore the visible exteriors of existing structures in the Village's downtown business district. It is intended to help rehabilitate and restore the visible exterior of existing structures, and to construct or enhance rear pedestrian entrances of buildings.

For more information, please visit [Downtown Façade Improvement Program](#).

For business incentives and employee training offered by Kendall County, Waubonsee Community College, and State of Illinois, please visit <http://www.co.kendall.il.us/economic-development/business-assistance>
