

## POSITION DESCRIPTION

**Position Title:** Public Works - Technician I, Field Operations

**Reports to:** Field Operations Superintendent

**Status:** Non-Exempt - Regular Full Time

**Grade:** III

### Statement of Duties

Performs a variety of tasks serving the Village's needs for the operation, maintenance, repair of streets, water and sewer systems, public buildings and grounds, and related work. Also performs snow removal and debris removal from public streets.

### Supervision

Employee works under the general supervision of the Field Operations Superintendent, may also receive direction from the Water Operations Superintendent as needed. Employee is familiar with the work routine and uses initiative in carrying out recurring assignments independently with specific instruction. Any questionable cases are referred to the supervisor for clarification or interpretation. Reviews and checks of the employee's work are applied to an extent sufficient to keep the supervisor aware of progress, and to insure that completed work and methods used are technically accurate and that instructions are being followed. Employee is required to be on call on a scheduled or rotating basis, and works outside of normal business hours as needed to complete duties.

Employee does not have access to any confidential information.

### Job Environment

Numerous standardized practices, procedures, or general instructions govern the work and in some cases, may require additional interpretation. Employee uses judgment to locate, select, and apply the most pertinent practice, procedure, regulation, or guideline to use in a given situation. The sequence of work and/or the procedures followed vary according to the nature of the transaction and/or the information involved, or sought, in a particular situation.

Errors may result in personal injury/loss, delay or loss of service, monetary loss, injury to other employees, damage to buildings or equipment, and or legal repercussions.

The position has occasional contact with the public, and/or other village departments to coordinate projects, exchange information, and respond to inquiries and concerns. Contact usually occurs in person, or on the phone.

### **Position Functions**

*The essential functions or duties listed below are intended only as an illustration of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related, or a logical assignment to, or extension of, the position.*

### **Essential Functions**

*Performs the following functions under the direction of the Field Operations Superintendent on a regular basis:*

1. Effectively and efficiently operates a variety of equipment ranging from hand tools to large motorized machinery and vehicles.
2. Operates such devices such as one-ton pickup, dump truck, service truck, back hoe, end loader, snow plowing equipment, brush chippers, street sweepers, sanders, etc. and is responsible for maintaining such equipment for safe operation.
