American adults has a mental illness

Mental illnesses are the leading cause of disability worldwide

1 in 10 full-time employees has an addiction

40%

of employees with a mental illness take time off because of it – up to 10 days a year

35%

more than 35% of managers feel they receive no formal support or resources to help employees

HR managers know the toll mental illness can take on the company. Yet, only **15%** feel managers are training to recognize the problem and share support and resources.
