Definitions

The Term "Village", whenever used in the contract documents, shall be construed to mean the Village of Oswego. The term "Agencies" shall mean the Village of Oswego, Oswego Fire Protection District, the Village of Montgomery and the Oswego Township, collectively or individually. The terms "Contractor," "Bidder" and "Vendor" shall mean the entity awarded the Contract contemplated by this bid. The term "Working" shall mean the supply and delivery of gasoline, diesel fuel and additives.

Scope of Work

This contract is for the purchase and delivery of regular gasoline and diesel fuel to the Agencies at the addresses indicated in the documents herewithin.

Conditions

The Bidder is responsible for being familiar with all conditions, instructions, and documents governing this project and bid. Failure to make such investigation and preparations shall not excuse the Contractor from the performance of the duties and obligations imposed under the terms of this contract. The Bidder acknowledges that local ordinance permits the Village to give preference to local businesses.

Termination for Force Majeure

The Village may, by written order, terminate the contract or any portion thereof after determining that for reasons beyond either Village or Contractor control, the Contractor is prevented from proceeding with or completing the work as originally contracted for, and that termination would, therefore, be in the public interest. Such reasons for termination may include, but need not be necessarily limited to, Executive Orders of the President relating to prosecution of war or national defense, national emergency which creates a serious shortage of materials, orders from duly constituted authorities relating to energy conservation, and restraining orders or injunctions obtained by third-party action where the issuance of such order or injunction is primarily caused by acts or omissions of persons or agencies other than the Contractor.

When this contract, or any portion hereof, is terminated or canceled by the Village, and the Contractor released before all items of work included in this contract has been completed, payment will be made for the actual number of units delivered at contract unit prices, and no claims for loss of anticipated profits or other damages will be made and are hereby waived.

Basis of Payment

This work will be paid for at the contract unit price per unit for Gasoline, Diesel, and additives.

Billing/Invoicing

Billing shall be done on gross gallons. Taxes are not included in the bid price.

The contracted award price shall be the contractor's mark-up above the weekly low posted rack pricing. Weekly pricing is Monday to Monday for rack pricing using Chicago, Illinois as the OPIS city.

Contract Award

The Village anticipates awarding the contract at the December 4, 2018, Village Board meeting.

Rejection of Bids

The Village reserves the right to cancel invitations for bids or requests for proposals without penalty when it is in the best interest of the Village. Notice of cancellation shall be sent to all individuals or entities solicited.

The Village reserves the right to reject any or all bids, to waive any minor informality or irregularity in any bid, to negotiate changes and/or modifications with the lowest responsible bidder and to make award to the response deemed to be the most advantageous to the Village. Indemnification

To the fullest extent permitted by law, Contractor shall indemnify, defend, save and hold the Agencies, their trustees, officers, employees, agents, attorneys and lenders (collectively the "Indemnitees") harmless from and against all loss and expense (including, but not limited to, reasonable attorney's fees and other costs and expenses) by reason of any liability or allegation of liability, against the Indemnitees, or any of them, for damages because of property damage or bodily injury, occupational sickness or disease, including death, resulting therefrom, caused or alleged to be caused by the Contractor or its employees or agents, while engaged in the performance of duties under this Contract, however such injuries may be caused, whether attributable to a breach of statutory duty or administrative regulation or otherwise, or damage or injury, directly or indirectly arising or alleged to arise out of the performance of or the failure to perform the work or the failure to protect the delivery site, or the travel to or from the site. Contractor shall promptly forward new certificate(s) of insurance evidencing the coverage(s) required herein upon annual renewal of the subject policies. 5. **Insurance Requirements:** The Contractor will provide satisfactory proof of insurance naming the Agencies , together with their officers, agents, employees and engineers as additional primary, non-contributory named insureds prior to commencing work. All policies shall be written on a "per occurrence" basis. The Contractor shall procure and maintain insurance for protection from claims under worker's compensation acts, claims for damages because of bodily injury including personal injury, sickness or disease or death of any and all employees or of any person other than such employees, and from claims or damages because of injury to or destruction of property including loss of use resulting therefrom, alleged to arise from the Contractor's or its officers's, agent's, employee's negligence in the performance of services under this Agreement. Contractor shall promptly forward new certificate(s) of insurance evidencing the coverage(s) required herein upon annual renewal of the subject policies. Failure of the Contractor to supply a valid certificate of insurance, or if a previously valid certificate of insurance has expired and is not replaced, is grounds for issuance of a stop work order until such time as a valid certificate of insurance is provided. Failure of the Village to collect or demand a certificate of insurance shall not be deemed a waiver of the requirement to provide one.

The limits of liability for the insurance required by this Subsection shall not be less than the following:

Should the Contractor fail to complete the work within the specified time stipulated in the contract or within such extended time as may have been allowed, the Contractor shall be liable and shall pay to the Village the amount shown in the following schedule of deductions, not as a penalty but as liquidated damages, for each day of overrun in the contract time or such extended time as may have been allowed. The liquidated damages for failure to complete the contract on time are approximate, due to the impracticality of calculating and proving actual delay costs. This schedule of deductions establishes the cost of delay to account for administration, engineering, inspection, and supervision during periods of extended and delayed performance. The costs of delay represented by this schedule are

understood to be a fair and reasonable estimate of the costs that will be borne by the Village during extended and delayed performance by the Contractor of the work. The liquidated damage amount specified will accrue and be assessed until final completion of the total physical work of the contract even though the work may be substantially complete. The Agencies will deduct these liquidated damages from any monies due or to become due to the Contractor from the Village. [NOTE: What is the amount of liquidated damages?]

8. **Contract Term:** The contract will be for approximately four (4) years, beginning on the first day of a fully executed Contract and ending on January 1, 2019.
9. **Change Orders:** After contract is awarded, additional purchases or modifications may be made under the contract, or the terms of the contract may be extended, without rebidding the materials, supplies, services or equipment involved, provided that the change order:

If the period of ineligibility expires or is terminated prior to award, the village may, but is not required to, consider such proposals, quotations, or offers.

The Contract shall comply with the Employment of Public Works Act (30 ILCS 570/0.01), if applicable.

In addition, such defense and indemnity shall include all liabilities, damages, losses, claims, demands and actions for defamation, false arrest, malicious prosecution or any other infringement or similar rights.

The provisions of the indemnity provided for herein shall not be construed to indemnify any Indemnitee for its own negligence or to the extent not permitted by law or to eliminate or reduce any other indemnification, right or remedy which the Village is otherwise entitled to assert. This provision shall survive completion, expiration, or termination of this Agreement.

If any claim indemnified hereunder has not been settled or discharged when the work is completed, final payment of the Contract Sum shall not be due, unless and until Contractor provides a bond or other security equal to 150% of the amount of such claim in a form and substance satisfactory to the Village. In any and all claims against any Indemnitee or any of its agents or employees by any employee of Contractor, anyone directly or indirectly employed by him or anyone for whose acts he may be liable, the indemnification obligation under this Section shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Contractor under Worker's Compensation acts or other employees benefit acts.
