

Village of Oswego 2011 Leaf Vacuum Disposal

The Village of Oswego will be accepting sealed bids for the disposal of leaves from their 2011 annual leaf vacuum program. The program will run from approx. the first week of October until mid December weather depending. The Village will collect the leaves with Village equipment and then dispose of them at the certified landscape disposal site of accepted bidder, by means of Village Dump Trucks.

The Village will collect leaves Monday through Friday and possibly some Saturday's, as needed. Hours of Village operation will be 7am-5pm. The Village will need access to the disposal site during these days and hours. A solid pathway for entering and exiting shall be provided as leaf pick up varies during wet weather conditions.

Bidders shall provide, disposal location(s), times of operation, type of pathway available for disposal and price per yard for Village disposal.

Bids will be accepted until 10 am September 19, 2011 at which that time bids will be opened. Bids can be mailed or delivered to: Village of Oswego Public Works Department, 100 Parkers Mill, Oswego, Illinois 60543.

Please contact the Public Works department @ 630-554-3242 between the hours of 8am and 5pm for further information.

The Village has the right to refuse any and all bids.
