Addendum #1 is hereby released to the change listed below.

1. Delete #1 under Section VII on page 6, Scope of Work, F, 1. The Contractor shall notify the property owner where the tree (should read “stump) is to be removed one calendar week prior to the start of work. Notification may be made in person or by the use of a door hanger. The Contractor shall keep a log of the date, time, and person contacted. If notification is made by door hanger, the Contractor shall report the date, time, and location that the hanger is placed. The door hanger shall notify the resident of the need for the work, the description of the work, contact information for the Village, and a request that the resident remove any stone, landscape bricks or plant material prior to the start of work.

This will not be the responsibility of the Contractor.
