Rejection of Bids

To whom it may concern:

The Village of Oswego has rejected all bids for the HVAC Replacement at the Oswego Police Department. The reason for the rejection is that the scope of the project has changed. The Village will re-issue a notice to bidders after revising the plan documents.

We thank you for bidding and hope you will consider bidding on future Village projects. To stay apprised of future bid opportunities, please sign-up for our e-notification service at: <http://www.oswegoil.org/resident-information/newcomers/sign-up-for-newsletter.aspx>.

Sincerely,

Village of Oswego
