Bid opening – July 11, 2017  
Rejection of Bids

To Whom It May Concern:

The Village of Oswego has rejected all bids for Leak Detection. The reason for the rejection is that the bidder is not able to provide emergency services within a reasonable timeframe. The Village will be re-issuing a notice to bid.

Thank you for bidding and hope you will consider bidding on future Village projects. To stay apprised of future bid opportunities, please sign up for our e-notification service at: <http://www.oswegoil.org/resident-information/newcomers/sign-up-for-newsletter.aspx>.

Sincerely,
