Overview of Process

Public Notice Requirements

This request requires a public hearing. Following receipt of a completed submission and scheduling for a Planning and Zoning Commission meeting, staff will provide detailed information on public notice requirements. At least 15 days before the hearing, applicants are responsible for:

- Posting a sign. The applicant shall post notice of the public hearing on the road or street frontage of the land being the subject matter of the application. The Development Services Department shall provide the sign and sign support system that must be used by the petitioner.
- Notice to Adjoining Landowners. The applicant shall notify surrounding properties using a public notice letter provided by the Village. The applicant shall send letters to properties designated on the County records to receive property tax bills for property adjacent to or within two hundred and fifty (250) feet (exclusive of public right-of-way) of the property in question of the public hearing to be conducted.

FILING FEES - The filing fees noted are an application fee to cover the Village's administrative costs to process and review the specific requests. This fee is nonrefundable.

REVIEW FEES - The review fees listed are deposited in a non-interest-bearing account held by the Village. The review fees account will be drawn upon as expenses are incurred by the Village and their consultants during the plan review process. In the event that the review fees account is depleted, and additional expenses are incurred, the applicant will be billed accordingly for those amounts. If expenses are not paid in a timely manner, review of the project will cease until expenses are paid. If the review fees account has a balance after all reviews and billing is completed, the balance will be refunded to the applicant upon request.

Applicant Agreement

I verify that all information in this application is true to the best of my knowledge. I understand and accept all requirements and fees as outlined as well as any incurred review fees. I understand that by submitting this application, it and all accompanying documents are public records in accordance with the Illinois Freedom of Information Act (FOIA). If you submit any documents which you believe may not be subject to release under FOIA because they contain trade secrets and commercial or financial information the release of which would cause competitive harm, then the documents should be clearly marked as propriety, privileged or confidential.

Standards for Special Use

***<u>Please provide a one to two sentence explanation for each Standard</u> ***

a. The proposed special use will not endanger the health, safety, comfort, convenience and general welfare of the public.
b. The proposed special use is compatible with the character of adjacent properties and other property within the immediate vicinity of the proposed special use.
c. The proposed special use will not impede the normal and orderly development and improvement of adjacent properties and other property within the immediate vicinity of the proposed special use.
d. The proposed special use will not require utilities, access roads, drainage and/or other facilities or services to a degree disproportionate to that normally expected of permitted uses in the district, and not generate disproportionate demand for new services or facilities in a way that places an undue burden on existing development in the area.
e. The proposed special use is consistent with the intent of the Comprehensive Plan, this Ordinance, and the other land use policies of the Village.

Standards for Planned Unit Development

***Please provide a one to two sentence explanation for each Standard ***

a. The Planned Unit Development is consistent with the goals, objectives, and policies set forth in the Comprehensive Plan and other adopted plans and policy documents of the Village.
b. The Planned Unit Development is designed, located, and proposed to be operated and maintained so that it will not impair an adequate supply of light and air to adjacent property and will not endanger the public health, safety, and welfare.
c. The Planned Unit Development includes uses which are generally compatible and consistent with the uses of adjacent parcels. If the uses are not generally compatible, all adverse impacts have been mitigated through screening, landscaping, public open space, and other buffering features that protect uses within the development and surrounding properties.
d. The Planned Unit Development is designed so that adequate utilities, road access, stormwater management, and other necessary facilities will be provided to serve it.
e. The modifications in design standards from the subdivision control regulations and the waivers in bulk regulations from the zoning regulations fulfill the intent of those regulations.
